Submittal Date: _____

Project: _____

ROW Permit Complete Application Checklist

The following items must be included with right-of-way use permit applications in the Town of Yarrow Point unless otherwise determined by staff. Only complete applications may be accepted. Forms may be obtained at Town Hall or at the Yarrow Point website: <http://www.ci.yarrow-point.wa.us/page.cfm?id=58>

- A \$387.50 plan review fee and \$150.00 permit fee are included with all ROW permits.

	Staff Use Check if Required	Staff Use Check if Accepted	No. of Copies	Description
1			1	Yarrow Point right-of-way use permit application form (YPMC 12.04.010)
2			3	Site plan(s) at min. 1"=20' scale using COB Datum (YPMC 12.04.030(A))
3			3	Traffic Control Plan(s) (YPMC 12.04.030(A))
4			1	Contractor Business License Information including expiration (YPMC 12.04.020(A))
5			1	Liability Insurance Policy – naming Yarrow Point as an additional insured (YPMC 12.04.020(E))
For Internal Use Only				
				Cash Deposit/ Bond (YPMC 12.01.020(G))
				Clyde Hill right-of-way use permit approval
				Encroachment Agreement (YPMC 12.24)
				92 nd Ave NE Pathway Impact Fee (YP Resolution 306)
				Public Property Tree Code (YPMC 12.26)

- Submittal of a complete right-of-way use permit application as determined by Town staff does not guarantee permit issuance. Compliance with minimum requirements of all applicable state and local ordinances is required and must be confirmed through Town review
- Site Development, Building, and Mechanical permits are separate applications based on the project requirements
- All actual fees are due at time of permit issuance. Actual fees are based upon Town of Yarrow Point Resolution No. 306

General Permit Conditions:

1. The owner, owner's agent, or utility representative may apply for a right of way use permit by submitting this form to the Yarrow Point Town Hall, together with the necessary additional documentation, permit fees, and three (3) copies of a drawing, drawn to scale, showing the property lines, the edge (s) of the roadway pavement and the location of the proposed work in the right of way, including the location of existing utilities associated with the permit work.
2. The Yarrow Point Town Engineer reviews permits, and the permit is issued by the Town Clerk.
3. Permits from other authorities may be required and include, but are not limited to:
 - **Electrical permits** are issued by the Washington State Dept. of Labor & Industries.
 - **Plumbing permits** are issued by the King County Department of Health.
 - **Building, mechanical, fire sprinkler, demolition, and site development permits** are issued by the Town's building department.
4. This permit does not constitute permission to connect to utilities. You must contact each utility, as applicable, to obtain utility permits..
5. This permit is wholly of a temporary nature, vests no permanent rights whatsoever, and is revocable under governing ordinances. Permit is valid for one (1) year. Rights acquired under this permit are inferior to those acquired under existing or future street improvement contracts.
6. All work within street areas must be performed in accordance with Standard Plans and Specifications of the Town.
7. Barricades with flashing lights of sufficient brilliancy to be seen for 300 feet must be maintained at all times during the hours of darkness at the points of obstruction of excavation of any public place.
8. Mixing of concrete or mortar on streets and rights of way is prohibited.
9. Unless otherwise described on the permit drawings or under Item 14 below, all backfill must be approved pit-run gravel compacted in 8 -inch layers to not less than 98% density. Crushed rock base and paving shall be per Town Standard Specifications. All trench backfilling and street restoration is subject to inspection and approval of the Town Engineer and must be performed in accordance with the specifications of the utility franchise.
10. Construction hours are as follows. These hours are STRICTLY enforced. Violation will result in a STOP-WORK ORDER.

Monday through Friday	7 AM – 6 PM
Saturday	9 AM – 5 PM
Sunday and Holidays	No Work Allowed

11. Contractors must comply with the Town's parking regulations. If a contractor needs temporary relief from these restrictions, he/she must file a parking plan with the Town. The town engineer will review this plan and forward a copy of it to the Clyde Hill Police Department. Without this plan on file, the Clyde Hill Police will issue tickets to vehicles parked in violation of the Town's parking regulations.
12. Contractors are responsible for removing dirt and construction debris from the roadway and for protecting neighboring properties from runoff. Contractors must first sweep the street before washing the roadway.
13. Contractors should code sales tax on job-related costs to **State Revenue Code 1730**.
14. Additional permit conditions are imposed as follows: _____

15. If a performance deposit is required at the time permit is issued, the property owner may request a refund after one year has elapsed from the time of street restoration. When a refund is requested, the Town Engineer will inspect the street repair to determine if the refund should be made. A pathway repair fee may be required.

I certify that I have read the general permit conditions listed above and that I understand that failure to comply with these and any other permit conditions listed on the permit card or imposed during construction may result in a Stop Work Order.
